Acknowledgement

When the Newfound Baptist Association was dissolved most of the Churches joined the French Broad Baptist Association. While I was working on a history of my Church, Union Baptist, trying to list the Pastors as far back as I could I contacted the French Broad Baptist Association. I was happy to hear that they did have the remaining records of the Newfound Association. These records were in 2 boxes on a top shelf. I wanted to preserve these records for future generations. To the best of my knowledge these books contain all the records that exist from the Newfound Baptist Association. I hope that they are a help to you. Be sure to check out the "History of the French Broad Baptist Association" in the OBCGS bookstore.

I would like to thank the French Broad Baptist Association for allowing me to preserve these records and for all their help.

In Memory

This set of books are done in memory and honor of the many Pastors, Preachers, Deacons, Moderators, Clerks, and Lay Members who held this together and passed this down to me.

CHILDREN'S HOME REPORT

The desire for a Baptist Children's Home to serve Western North Carolina has become a reality. In early May after years of careful planning, diligent work and generous giving by many friends of the Homes, the first two cottages for children on the Broyhill Home campus were opened. These were filled by the early part of the summer making provision for twenty-four children in group care.

In October of 1970 a new service was begun with the opening of a maternity home in Asheville. The girls who have been served in this program have responded well to

the love, concern and care which has been provided them. This home was made possible largely by our Baptist people and other friends in Asheville and Buncombe County.

I personally visited the Broyhill Home for children in Waynesville on opening day. I am happy to report that our children in Western North Carolina are receiving the best of care under the leadership of Hugh Starnes, Superintendent of Broyhill Home and his staff.

The expansion of these services and the improved quality of work that has been done, requires our additional support. We should be more than happy to increase our support through our Thanksgiving offering and special gifts.

An invitation has been given to anyone who wishes to visit these homes in the future. The support that has been given so far has been greatly appreciated.

HOME FOR THE AGED REPORT

Our North Carolina Baptist Homes for the Aging celebrated their 20th anniversary in March of this year. During these two decades, the story of our Homes has been one of faith and the abundant blessings of God upon this special ministry to older people. God has brought us from one Home, and one resident in 1951, to five Homes and a Nursing Care Unit, with total accommodations for 160 residents and 76 patients. Two of these Homes, Resthaven and the Hayes Home, and the Nursing Care Unit are located in Winston-Salem, and the other three Homes are located in Albemarle, Hamilton, and Yanceyville. In these Homes, our residents are loved, and we feel that there is no greater security that they could have and no better care that they could receive.

The past year has been one of the best ever, and we are rejoicing in the blessings that have come from God through our Baptist people. Support for the Homes from the churches, through the Cooperative Program and the Special Day Offering, has been most encouraging. For the last three years, the Homes have had an alarming deficit and have operated in the red. We have not yet reached the point of operating in the black, but let us say, with hopeful optimism, that we are approaching this time. The deepened concern of our Baptist People and the increase in gifts have been strong contributing factors to the success of the past year.

At least 80% of the people who live in our Baptist Homes are financially needy persons and benefit directly from the love gifts of North Carolina Baptists. They simply could not be maintained, and the Homes could not be operated without the Special Offering, designated gifts from the churches, and the Cooperative Program. We would urge our Baptist people, therefore, to remember how dependent these dear older people are on them and would challenge them to give more liberally than ever and to see that their gifts are a real life-line in the on-going of this ministry.

Of unusual interest during the past year has been the construction of the new addition to the Nursing Care Unit in Winston-Salem. It is anticipated that this new facility will be ready for occupancy by September 1. It will make available 20 additional beds and bring the total capacity of the Nursing Care Unit to 76. This addition was made possible by the generous challenge gift of $80,000.00 from Judge and Mrs. William York, of Greensboro. The trustees accepted the challenge and raised an additional $80,000.00.

Pray for your Baptist Homes for the Aging and remember that any ministry to an older person in the name of Christ is a direct ministry to Him.

HOSPITAL REPORT

Your Baptist Hospital admitted 17,557 persons in 1970 for a total of 150,174 days of care. In addition, there were 51,563 visits to outpatient clinics, including 17,241 to the Emergency Room. About 90% of these were "referral" patients - that is, patients who were referred to our Hospital by their local physicians because they needed the specialized medical care our Hospital is staffed and equipped to offer.

Our Hospital, from the day of its beginning, has provided good medical care for our people, including care for persons who cannot pay the cost. There has been great progress in medicine and tremendous increase in hospital costs, and these have made some policy changes necessary. The basic policy of providing care - now the highly specialized care for the more difficult cases - for those who cannot pay has not changed. This Christian ministry is at the heart of the work of our Baptist Hospital.

The financial situation of the Hospital is viewed by the administration with "cautious optimism." The operating deficit has been reduced and expenditures are being kept more nearly in line with income. The entire staff is cooperating in an effort to maintain a proper balance between sound financial policies and a spirit of Christian compassion.

The Medical Center Development Program is progressing on schedule. The new patient Tower is expected to be ready for partial occupancy by late 1972. The 14 bed coronary care unit will open about September, 1971. A statewide Development Campaign, initiated with pledges totaling $177,182 from employees of the Medical Center, is moving toward successful completion.

Baptist Hospital offers a ministry of healing in Christ's name to all who need it. It seeks to fulfill the same purpose in North Carolina that a Baptist Hospital operated by our Foreign Mission Board seeks to fulfill in Korea or Nigeria. It ought to be supported by missionary-minded Baptists with the same enthusiasm and for the same reason we support every other phase of our denomination's World Mission Program. This is missions too.

CO-OPERATIVE REPORT

The Co-Operative Program is a plan, inspired by God we believe, through which Southern Baptist work together world mission program. Through it our mission gifts preach the Gospel in our own State, throughout our nation and around the world. Through

it our gifts provide homes for homeless children, and provide a ministry of love and comfort for aging people, help young people receive Christian education, provide hospital care for the needy sick, and minister in many other ways, to the spiritual and physical needs of God's children. It is our approved way of doing together what none of us can do alone. Missions at home and abroad are strengthened as we channel our gifts through the Co-Operative Program. It is the best way we know of keeping faith Jesus' Commission, "Ye shall be witness unto me in Jerusalem, Judea, Samaria, and unto the uttermost part of the earth."

In Memory

In memory of J. Britt Ward who departed this life June 13, 1972. A member of Pinnacle View Baptist Church, holding offices of Deacon, and Sunday School Superintendent, a friend to God, the Church, and man.

I knew this man from the time he was saved twenty-eight years ago. I have never known a man that believed and trusted in the word of God more firmly than Britt did. He never wavered from it from the time he accepted it till the day he departed this life. I never knew this man to exalt himself or give anyone any idea that he would. He lived up to Romans 7:18- "For I know that in me (that is in my flesh) dwelleth no good thing."

The impact of his belief and his faith in God and his word, will live in the community, and in Pinnacle View Baptist Church as long as time will last.

So long Britt till we meet with you in the Good world.

The Pinnacle View Baptist Church and Pastor Rev. Howard H. Mann.

PERIODICALS REPORT

We as Missionary Baptists believe in being well informed, and to inform and to enlighten others of spiritual needs throughout the world.

We as Baptists are fortunate to have a great quantity and quality of literature and teaching aids available to the churches and members of our denomination.

The Bible heads the list and is the basis for all our religious literature: THE BIBLICAL RECORDER, the official journal of our North Carolina Baptist State Convention, covers the entire field of our Baptist work.

Some of the papers made available to us through our Baptist board are: CHARITY AND CHILDREN, COMMISSION, HOME MISSION, HOME LIFE BUILDERS, THE BIBLICAL RECORDER, and THE AMERICAN BIBLE SOCIETY.

Respectfully submitted,
Rev. J. B. Gibson

FOUNDATION REPORT

The North Carolina Baptist Foundation, Inc., is a charitable corporation. It was chartered on November 24, 1920, under the laws of the State of North Carolina. As a charitable corporation, it and its donors presently have certain tax savings.

It was created by the Convention for the purpose of procuring endowment funds

and for administering such funds, for all intitutions and agencies, owned and controlled by the Convention. It is independent of the causes it serves, but committed to their best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all of our Baptist work.

Any property owner who wishes to do so - Baptist or non-Baptist, resident or non-resident, man or woman, young or old, can use the Baptist Foundation through cash, securities (stocks, bonds, notes, mortgages); real property (farms, woodland, houses, lots); and any and every other kind of property, real or personal. These gifts can be in the form of a living trust, gift annuity, or by bequests in wills.

The Baptist Foundation stands ready at all times to aid individuals in making adequate preparation to use of the foregoing methods in providing for any agency or institution fostered by the Baptist State Convention of North Carolina, or any of the Southern Baptist Convention agencies or institutions.

When one uses the Baptist Foundation, one is EXTENDING HIS STEWARDSHIP IN PERPETUITY. This can and does bring a great deal of satisfaction and joy to the person who uses the Foundation for this purpose.

If you have any further questions or need a representative to visit you, you may contact The North Carolina Baptist Foundation, Inc., P. O. Box 26508, Raleigh, North Carolina 27611.

EDUCATION REPORT

We have agreed according to our church covenant to maintain family and secret devotion. And religiously educate our children of North Carolina Baptist, own and partially support seven great colleges. We feel that many of our religious leaders of

today were educated in some one of these Baptist colleges. We are proud of the good discipline that we feel the Baptist colleges have.

Respectfully submitted,
Herbert Garrett

Report read by Rev. Billie Gillespie, was adopted.

MISSIONS: HOME, STATE, AND FOREIGN REPORT

We the Committee on Missions do ask that each in the Association support State, Home, and Foreign Missions. We know that there is a great need for the word of God to be spread everywhere and to carry out the commission of our Lord who said, "Go ye therefore into all the world and preach my Gospel."

Let us support missions and help by being missionaries at home.

The churches are on mission to people under the Lordship of Christ, Matthew 28:19-20; Acts 1-8. Churches in a cooperative plan express their mission beyond the local congregation. A specialized ministry to the deaf includes evangelizing, teaching and counselling the deaf.

Respectfully submitted,
Horace Fox

Report read by clerk, was adopted.

CHILDREN'S HOME REPORT

Broyhill Home in Haywood County, opened last year, has served to strengthen all of our services to children and members of their families in the Western area of the State. This facility has been a blessing to the twenty-nine children who live there as well as those who have made it possible. The Children have adjusted readily to school, church and community life in general. They are happy with the beautiful and comfortable cottages in which they live and with the care afforded them by members of the staff.

At this time we have under construction two additional cottages at Broyhill Home. When completed in December of this year we will have four cottages with a capacity for slightly over fifty children. Remaining to be built is the administration building and a home for the local superintendent.

The Maternity Home in Asheville has been in operation for two years and has met a great need in the lives of more than thirty girls with whom we have worked. Many lives have been changed for good for time and eternity as a result of this ministry. There will be a continuing need for this as a maternity home and for teenage girls who can use this as a group care facility.

Contributions of our Baptist people are essential to our continued operation and are received with deep appreciation. An increasing number of people are finding rewarding stewardship opportunities through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children.

Your continuing interests, prayers and support are essential to this vital ministry.

Respectfully submitted,
Rev. Charlie Freeman

Report read and adopted. Discussed by Keith Clark, Clyde, N. C., house father in one of the cottages at Broyhill Children's Home.

HOME FOR THE AGED REPORT

In our Baptist Homes for the Aging, we feel that there is no relationship more important and more blessed than the one that we have with our Baptist people in our Baptist Associations throughout the State. It is a special joy to visit personally the Associations and to have fellowship with the good people who mean so much to us in our ministry and to express to them our special thanksgiving. It is with a deep sense of gratitude to the Lord and to you that we bring this report on our Baptist Homes for 1972.

This has been the best year that we have ever had in our twenty-one years. The Special Offering for the Homes and support through the Cooperative Program reflect an encouraging increase. Through these two vital sources, the Homes during the past year derived almost 30% of the total operating budget in the care of the residents and patients, with 20% coming from the offering, and 10% through the Cooperative Program. The most significant fact about this support from our Baptist people is that the majority of the residents in the Homes are persons with real financial needs, and these love gifts are used for their care. In fact, these gifts are a lifeline to the residents, and they could not be maintained without them. The greatest challenge to our Baptist people is to continue to increase the Special Offering from year to year, and thus keep pace with the needs of the residents who depend so greatly on it.

Our Baptist Homes now operate five resident Homes, with two located in Winston-Salem, and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents. In addition, there is a Nursing Care Unit, located in Winston-Salem, with a capacity for 63 patients. In these Homes we specialize in tender loving care and do not know of any place this side of Heaven, and outside of one's home, where a person can receive more compassionate Christian care.

Of great significance during the past year, in May, was the dedication of the York Wing of the Nursing Care Unit. This wing, accommodating 18 additional patients was completed in November of 1971 and named in honor of Judge and Mrs. William York, of Greensboro. He and Mrs. York gave $80,000.00 for the construction of this new Wing, and the additional money needed was raised by the Trustees of the Homes. With this new addition, the Baptist Homes have been able to receive some few persons, on a limited basis only, directly as patients. The majority of the beds in the Nursing Care Unit are used for the residents of the five Homes, when nursing care becomes necessary. We are glad that the base of our operation has been broadened to include a ministry to the aging sick person, and we can only hope that we will move forward and be able to receive more patients in the years ahead.

Ministry to an older person is a direct ministry to Christ and is one of the finest things that North Carolina Baptists are doing. Be glad that you are a Baptist, and be grateful for the part that you are having in making the life of an aging person more abundant and more secure.

Rev. E. V. Plemmons from the Buncombe Association gave the report for William A. Poole Home for the Aged, Winston-Salem, as he couldn't be present, and in the absence of the associational representative, Tillman Reese.

BAPTIST HOSPITAL REPORT

The distinctiveness of Baptist Hospital's ministry lies not alone in its care for charity patients, but also in the type of service it renders to all its patients, and to many other people throughout our state and nation and around the world.

As an academic Medical Center it is engaged in research and in education, as well as direct patient care. The ministry through research is far-reaching since new discoveries in medicine offer new hope to people everywhere. The educational ministry also extends around the world, since graduates of the Bowman Gray School of Medicine serve in 88 counties of North Carolina, in 47 states and the District of Columbia, and in 25 different countries. Alumni of the School of Pastoral Care serve in almost every state and in 39 other countries.

The quality of direct patient care provided at Baptist Hospital is distinct in at least two respects. First, it is a specialized type of medical care, provided for referral patients who have rare or complicated medical problems. Because of the highly-skilled specialists in almost every area of medicine, and the elaborate equipment available for diagnosis and treatment, we are able to provide the kind of care which is available only in a large medical center. Ours is one of only 108 such medical centers in the United States.

In addition to offering this kind of medical expertise, a second distinctive of our patient care is the Christian concern for the total person with all his needs. This spirit is found among physicians, nurses, aides, and other personnel throughout the Center. The Department of Pastoral Care seeks to minister specifically to the spiritual and emotional needs of patients and their families.

Baptist Hospital does continue to serve patients who cannot pay for their hospital care. Even with the tightening of admission policies and procedures, only one person in twelve months - i.e., one in approximately 17,000 applications for admissions - was not helped. In 1971, charitable allowances amounting to $1,370,000 were issued to patients unable to pay in full. The Mother's Day Offering of $371,000 helped make this charity work possible.

The hospital takes pride in its record of charitable work, but would like to help our Baptist people to understand that there are other aspects of its work also which justify its existence as an institution of our Convention and make it worthy of the support of our churches.

The operating deficit has been eliminated and the hospital is now operating "in the black."

The new patient tower is being completed and some departments have already moved into the lower levels. Complete occupation should take place by January, 1973. One additional unit, a two story unit housing the emergency room and outpatient clinic, is scheduled to be completed by 1973. This will conclude the present development program.

"A Medical Center ministering with skill and understanding" is not just a letterhead slogan; it is a goal which Baptist Hospital seriously strives to attain.

Respectfully submitted,
Loyd Fish

This page is dedicated to the Rev. J. B. Gibson who passed away January 26, 1973 at the age of 72.

Pee Wee Gibson, as most people knew him, was ordained to preach the Gospel in 1935 at Elk Mt. Baptist Church. He organized the New Hope Baptist Church and pastored it for 32 years, and pastored various churches in part of the country. He traveled many miles on foot to tell the world of Jesus. He held fast to the gospel until his death. He was handicapped many times because of his health but even then he had a strong testimony for Christ.

We, the members of New Hope Baptist Church, feel it is an honor to have known this great man of God. Our church misses his presence extremely, but we know he has gone to his Heavenly Home.

BAPTIST CHILDRENS HOME REPORT

The Broyhill Home, under the leadership of Mr. Hugh Starnes, has become the home of close to 50 children. They are happy with the beautiful and comfortable cottages in which they live and are enjoying their school, church and community life.

Contributions of our Baptist people are essential to the continued operation of the Broyhill Home and the total program of the Baptist Children's Homes in Western North Carolina. This would include the foster home program and work with families and children that are in need. These gifts are received with deep appreciation. Through our Thanksgiving offering and special gifts our association has contributed $1,956.85 this year toward the operation and construction of the Home.

In addition to the Children's Home the contributions of our Baptist people have met a great need in the lives of more than 71 girls at the Maternity Home in Asheville. The Maternity Home which was begun in 1970 has provided love, concern and care for the girls who have been served under this program.

Both the Broyhill Home and the Maternity Home were made possible by our Baptist people and other friends in Asheville and surrounding areas. However, the expansion of these services and the improved quality of work that has been done will require our continued interest, prayers and support.

Baptist Children's Homes Representative

HOSPITAL REPORT

In May of this year Baptist Hospital observed its 50th Anniversary. The Hospital opened its doors in May of 1923 "to bring the healing art more definitely under the dominion of the Great Healer."

The anniversary was celebrated jointly with the dedication of the new Reynolds Tower, a 16-story patient care facility. The completion of the Tower brings the total bed capacity to 655, placing Baptist Hospital within the top 10 per cent (in size) among hospitals in the United States. When the renovation of older sections of the hospital is completed the total number of beds will be 717.

Construction has begun on an ambulatory care building which will house the emergency room, several outpatient clinics, the Physical Therapy Department, and an Oncology (Cancer) Clinic and Research Laboratories. This building and the above-mentioned renovation will complete the present Medical Center Development Program.

Last November the Baptist State Convention heard the report of the Committee of 15 and adopted its recommendations. The hospital has been seeking to implement these recommendations:

1. A Medical Center Committee, composed of 8 Trustees from the Baptist Hospital Board and 8 from the Wake Forest University Board, has been appointed. This committee will

consider matters involving the Medical Center and its future operation.

2. In January the hospital trustees appointed a committee of three to review appropriations from the Mother's Day fund and assist hospital personnel in making decisions on some specific requests for assistance. The hospital continues to provide care for people who cannot pay, valued at far in excess of the total Mother's Day Offering. The auditors' confirmed value of this care in 1972 was $1,390,000—nearly four times the amount of the Mother's Day Offering—and this does not include the value of physicians' service, provided without cost to these service patients.
3. The Department of Pastoral Care is expanding its services to provide training for lay people. Dr. Mahan Siler joined the staff June 1 to head up this new work. The Department also anticipates the establishment of several satellite counseling and training centers in the state, beginning in the near future. Your Cooperative Program gifts support the work of this department.

The hospital's financial operation is "in the black". and there has not been a general room rate increase in 2 1/2 years. As of this date, the Mother's Day Offerings are running ahead of last year.

Respectfully Submitted,
Lloyd Fish, Representative

MISSIONS: STATE, HOME FOREIGN REPORT

It was One Hundred Years ago on July 17, 1873, Miss Lottie Moon, was appointed a missionary for service in China.

For nearly forty years laboured in Shantung Province then a state of forty million people whom she loved and to whom she sought with all her ability to make known her Lord.

In the closing month of 1887, Miss Moon suggested that Southern Baptist Women set apart a week before Christmas, as a week of Prayer and Offering for world Missions.

The Missionary task, inherent in Christian experience and explicit in the commands of Jesus, surfaced in the experience of the church almost immediately after his ascension.

Paul in his letter to the Romans, pointed out the inescapable two edged responsibility of the Missionary task when he asked, "How then shall they call upon Him in whom they have not believed? And how shall they preach except they be sent? (Rom. 10: 14). Barnabas, a missionary from the church at Jerusalem to the new work at Antioch, journeyed to Tarsus to find Paul and bring him to Antioch. (Acts 11: 25-26).

The Foreign Mission Board appoints approximately 200 new missionaries every year, and supports over 2,500 men and women in land over seas.

Consecrated men and women through the years have been led to pray about God's will regarding their lives and to emerge from our midst saying, "Here am I send me." Such a commitment says that our churches, our fellowship, our homes, all forms of our christian education-will hold this task before our people. Let us support our missionaries with our prayers and support at home and abroad.

This page is dedicated to Rev. Estel Strickland who departed this life Sept. 20, 1973. He was born April 29, 1920.

He was pastor of Zion Baptist Church for 14 years of which he was also a member. He did Evangelistic work in other churches in surrounding areas.

His hearts desire as he often expressed to our church was to see our church grow and move forward for our Lord's cause.

We the members of Zion Baptist Church feel our great loss, but we know our loss is Heaven's gain. And we feel it is a honor to have known such a great man of God. Our church misses his loyalty and his presence extremely, but we know he has gone to his mansion in Heaven.

PERIODICAL REPORT

Our Christian Democracy depends on well-informed and enlightened people and to be informed, we must read. Our number one reading material should be the BIBLE itself. Among other materials available to our Baptist people are Charity and Children, Commission, Home Mission, Biblical Recorder, and some others.

The leading printed literature would be the Biblical Recorder, which covers the entire field of our Baptists work and has been in continuation for 141 years and has enjoyed its highest circulation in history of more than 111,000. The Recorder did much in the overwhelming defeat of Liquor By The Drink last November. The Recorder will continue its emphasis on local church coverage, seeking to deal with problems that it has. It would be good if it could be sent to each family of the church and it could be at the cost of only 5 cents a week for each family.

Respectfully submitted,
Rev. Bill Gillespie

EDUCATION REPORT

August 10, 1974

There are many colleges in our country and different denominations to educate our people. Our greatest need is like the Apostle Paul said in his message to the Galatians:

> But I certify you, brethren, that the gospel which was preached of me is not after man. For I neither received it of man, neither was I taught it, but by the revelation of Jesus Christ.

HOME FOR THE AGED

We, as Baptist have been blessed by God, for Homes for our Elderly people. It's been through God's Love and Goodness that we have these Homes to take care of our Elderly people, when they have no one else to look forward to.

We have several Homes for this purpose and we should be thankful to God for the property that has been bought in Asheville, N. C. for the purpose to build a home that will take care of our elderly people right here in Western North Carolina.

The state convention will vote in November confirming action already underway to build a retirement home on the Pearson Estate in Asheville. Over the next two or three years we will be raising funds, just as we did in building the Children's Home, and we hope to build a first quality home for our aging.

Let's all show our Love toward our Elderly people by our support and prayers.

Respectfully Submitted,
Bain Scott

BAPTIST CHILDRENS HOME REPORT

Western North Carolina Baptists have shared the adventure of a Christian child care ministry with the Baptist Children's Homes this year. Through your continued good will and generous support we have seen the completion of the Broyhill Recreation Building and the Wagner Administration Building on the Broyhill Home Campus. Through the Thanksgiving offering and special gifts our Association has contributed $1,936.17 this year toward the operations and construction of the Home. With its 4 cottages, the Broyhill Home is now giving a home filled with love, concern and care for close to 50 children.

In addition to the Children's Home the contributions of our Baptist people have met a great need in the lives of many girls at the Maternity Home in Asheville. Since its inception in 1971, a helping hand has been offered to more than 120 girls who struggled with one of the serious crises of life. This program continues to find acceptance throughout the state and to realize success in sharing the Christian adventure with the girls who come there.

Your continued prayers and loving support is our strength as we face the pressures of an uncertain economy, rapidly spiraling costs, and the need to serve children whose personal problems are most intense.

Reverend Charlie Freeman
Baptist Children's Home Representative

Report was read, and adopted.

HOSPITAL REPORT

In spite of the growth in size and complexity at your Baptist Hospital, the emphasis is still upon "ministering with skill and understanding". Evidence of this is a typical patient's remark recently: "From the head surgeon to the aide who handed me a glass of water, with all the doctors, nurses, people in the business offices and chaplains in between, I was cheerfully given every personal consideration."

Changes and additions continue to be made for the purpose of providing better hospital care. Renovation of the Progressive Care Unit has been completed, and the South and West Wings of the hospital building are now being renovated. Construction of the Ambulatory Care Unit is well under way and is scheduled for completion in the spring, or early summer, of 1975.

New discoveries continue to make possible better medical care. For example, a new EMI-Scanner is to be installed and is expected to be in use before the end of this year. This device, which combines the use of x-rays and computers, will make it possible to detect brain tumors, blood clots, and strokes more accurately and more quickly. Scans can be completed in about 30 minutes and the results can be available in another five minutes. There is no risk or discomfort involved, and the patient does not have to be admitted to the hospital.

New approaches are also being made in the hospital's ministry to the emotional and spiritual needs of people. The Division of Human Enrichment and Development, in the Department of Pastoral Care, is conducting retreats, seminars, and workshops designed to help appropriate the resources of the Christian faith to the various areas and experiences of life. The Pastoral Care Department has also opened its first satellite center, in Fayetteville, to offer counseling and training to people in that area. Your Cooperative Program gifts help to support these ministries.

The School of Nursing graduated its last class in May. The school has been in the process of phasing out for the past three years, as the result of a trustee decision made in 1971.

In January the hospital had its only room rate increase in the past three and one half years. Nevertheless, the hospital continues to operate "in the black". The 1973 Mother's Day Offerings amounted to $375,000. At the time of this writing, our 1974 Mother's Day gifts are running ahead of the same time last year. These gifts are used to assist patients with the most urgent financial needs. A special committee of five Baptists from the Winston-Salem area assists personnel from the hospital Business Office and the Department of Denominational Relations in administering these funds.

Your hospital staff, and the people they serve, are grateful for your interest, your prayers and your financial support.

Respectfully Submitted,
Lloyd Fish, Representative

STATE, HOME, AND FOREIGN MISSIONS

What are we doing about being a Missionary, are we trying to help those who are trying to help our needy people who are in need of food—both physical and spiritual. One-third to one-half of the Worlds people suffer from continual hunger or nutritional deprivation. Every day 10,000 people die of starvation. In nearly 80 percent of the countries of the World, food demands now exceed productions.

The Foreign Mission Board has added 39 new persons to its overseas force during its July Meeting.

The appointment of such a large number is due to accelerated gifts to the Foreign Missions. These Missionaries will serve in 17 foreign countries. Their appointment brings the Overseas Missionary total to 2,529.

Let us all think more about giving to Missions—at home and abroad.

MISSIONS—STATE, HOME AND FOREIGN

Mission work was performed in a mighty way by our Lord while on earth then commanded the disciples by saying go ye therefore and teach all nations baptizing them in the name of the Father and of the Son and of the Holy Ghost.

Teaching them to observe all things whatsoever I have commanded you: and lo I am with you always, even unto the end of the world.

We should continue by supporting our local churches and association with our prayers, financial support and attendance, then go into other parts of the world by the same.

Respectfully submitted,
Rev. Bill Gillespie

We have 33 state papers with a circulation of 1 3/4 million copies. Biblical Recorder is one of the oldest and one among the best with a circulation of above 112,000 copies which has done much to inform North Carolina Baptists on many things of vital importance to our spiritual welfare.

BAPTIST CHILDREN'S HOME REPORT

Christian child care provided by the Baptist Children's Homes of North Carolina is a cooperative mission. North Carolina Baptists launched this child care ministry ninety years ago. Today it is recognized as one of the outstanding ministries of its kind in the nation.

The lives of more than 3,700 people were affected in a significant way through the services of the home during the past year. Daily care and related services were provided for 1,524 children. A close working relationship was maintained with 2,178 adults in an effort to reestablish homes and strengthen family relationships.

The Broyhill Home campus will have a fifth cottage for children constructed during next year.

The Thermal Belt Youth Shelter, at Forest City was opened last spring and is meeting a vital need for children needing immediate help.

Increasing numbers of families are opening hearts and homes for the care of foster children. It shall be our purpose to keep this ministry and to meet the needs of those for whom we accept responsiblity.

Respectfully submitted,
Rev. Kimsey Ball

HOME FOR THE AGED

We, as Baptists have been blessed by God, for Homes for our Elderly people. It's through God's Love and Goodness that we have these Homes to take care of our Elderly people, when they have no one else to look forward to.

We have purchased the land for the Home for the Aged in Western North Carolina. The home will be located on 22 acres of the former Pearson Property. The first unit will provide for 50 residents. Future expansion will be determined by needs and funds to erect additional facilities. Building will begin as soon as sufficient funds are obtained. It is hoped that construction can begin within two to three years.

This home in Asheville will bring to total 6 Homes for the Elderly in North Carolina. Let's all show our Love toward the Elderly, by giving them our support and prayers.

Respectfully submitted,
Bain Scott

This report was read by the clerk, and adopted.
Kenneth Mullins spoke in behalf of the Home For The Aged.

1975
BAPTIST HOSPITAL REPORT TO ASSOCIATIONS

There have been many significant developments, in several different areas, at your Baptist Hospital during the past year.

By the time this report is read the new ambulatory care unit will be open, making possible enlarged and improved services for the Emergency Room, Outpatient Clinics, Physical Therapy and other departments. Renovation of the West Wing will be complete and renovation on the South Wing will begin in early August. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds, therapy room and other improved facilities for Psychiatric services.

The long-awaited EMI-scanner is now in use and is already proving beneficial in detecting blood clots, tumors, strokes and other abnormalities of the brain.

A Family Practice Center opened July 1, 1975 to offer more primary medical care for patients and also to provide specialized training for physicians who choose to enter Family Practice.

During the year the hospital had its biennial review by the Joint Commission on Hospital Accreditation. All areas of operation received an excellent report, but physician service, nursing service and administration all received especially high commendation.

Despite the continued rise in costs for services and materials the hospital has been able to operate in the black. The administration and department heads confer frequently and make diligent effort to see that the hospital operates as efficiently and economically as possible.

Gifts from the Baptist churches have been very gratifying. During the calendar year of 1974 the hospital received $258,898 through the Cooperative Program and $392,000 through the Mother's Day Offering. Hospital staff members have participated in Cooperative Program promotion in cooperation with the State Convention Division of Stewardship and Cooperative Program Promotion.

The Department of Pastoral Care has opened a counseling center in Raleigh, its second satellite center. Plans are developing for a third satellite in the western part of the state. The Department has established a scholarship fund as a memorial to Dr. Richard K. Young, the department's first director, who died December 31. Full re-accreditation was given the School of Pastoral Care in December by the Association of Clinical Pastoral Education.

During the past year Mr. Reid T. Holmes retired as President of the hospital, after serving in the hospital administration for 29 years.

Respectfully submitted,
Loyd Fish

ASSOCIATIONAL REPORT

As your Associational Missionary for the New Found Missionary Baptist Association I am happy to report to you my travel among the churches for the past year. I visited all twenty churches inside the Association from one to five times, traveling a total of 2,483.7 miles. The love offerings I received from these Churches was $321.74. My Associational travel expense was $282.84. I visited in a number of revivals and singings, held one revival, baptized five candidates and assisted in one other baptizing. During part of the association year I assisted three churches until they called a pastor. I assisted in eight funerals, three by message and five by song. I have attended my home Church from one to two times weekly. Up until I started pastoring a church myself, I traveled 2,090.1 miles in visiting with nineteen churches and holding one revival in churches outside the Association.

BAPTIST HOSPITAL REPORT TO ASSOCIATIONS

"Christian Stewardship" is a phrase frequently heard in staff meetings at Baptist Hospital. The hospital's leadership holds to a philosophy of administration based on stewardship and tries to pass this on to all employees. A continuing effort is made to help each employee, whatever his particular job, to realize that he is part of a team involved in a Christian ministry of healing. The difference this makes in the whole atmosphere of the hospital is evident to patients and visitors.

This sense of stewardship demands a continual updating and upgrading of medical procedures to assure patients the highest quality care. One of the most significant recent developments is the creation of a department of Family Medicine. This department provides promary health care for a limited number of families, that is, the kind of all-round, ongoing health care normally provided by a family physician. At the same time the department offers training in family medicine for physicians who will enter this field of practice. This will help to balance the trend of recent years toward increased specialization in the practice of medicine.

Improvement of physical facilities is another expression of the hospital's sense of stewardship. In recent months renovation of the west and south wings of the hospital has been completed; construction has been completed on an addition to the water-chilling facilities; construction has begun on a 4-level parking deck in front of Reynolds Tower which will provide approximately 800 parking spaces for visitors; and construction has begun on a new building to house the new department of Family Medicine.

The Pastoral Care Department continues to make its contributions toward the fulfillment of our stewardship. A chaplain is assigned to each area of the hospital and is responsible for providing a pastoral ministry to patients, staff and visitors in that area. There are capacity enrollments in all phases of the Clinical Pastoral Education programs. A third satellite has opened in Morgantion during the past year.

Respectfully submitted,
Jerry Rice

BAPTIST CHILDREN'S HOME REPORT

A report for the Baptist Children's Home was not turned in to the clerk.

PERIODICAL REPORT

The Old Testament prophet Hosea declared, "My people are destroyed for lack of knowledge." Because of a great information void concerning truth, Jeremiah also cried out, "Publish and conceal not."

Just as in Old Testament days, communication still remains one of the most sensitive prob-

lems in our churches. Think for a moment—how many problems has your church had that could be traced to a lack of communication? Too many church members are misled because they are uninformed, poorly informed, or misinformed. Churches must take initiative to provide accurate information if work in the local church, association, and convention continue to show progress..

Each year more churches understand the importance of providing the RECORDER for each family. When this is done, members become more responsive because they are better informed. Baptists have made encouraging progress in recent years through bold mission enterprises and this can be traced to better-informed church members. Stewardship gains also go hand in hand with better communications. As an example, 79 of the 80 churches which led their associations in per capita mission gifts last year have a RECORDER club.

Each church needs to look at its budget carefully and then make provision to send the RECORDER to each family. Although nearly 1,100 churches in the state have the RECORDER in the budget, at least 500 more churches should take this step. Such action could be the difference between mediocrity and greatness in your church.

W. A. Criswell, pastor of the First Baptist Church in Dallas, Tex., urges all Baptists to "stay with the state paper. Increase its circulation. Send it to the homes of all people. The reward will be great."

Louie D. Newton of Georgia who has done more than any other person to interpret the value of Baptist state papers, said: "The investment any church can make in furthering the Kingdom of God is to put the Baptist state paper in the homes of the membership. These papers are the packhorses of every phase of denominational life.

If this "packhorse", meaning the RECORDER, is not going to every family in your church, may this be the year that you take this step.

Lloyd Fish

HOME FOR THE AGED

We should be thankful in the day which we live in because we have homes for the aged. Because our forefathers didn't have the privilege in their days. We sure are thankful for the Home for the Aged. Real thankful for the one that is being built in Asheville, N. C. as well as all the rest.

Let's help support our Homes for the Aged.

TEMPERANCE

We as people of God should be careful how we live before the lost world and before ou young people which will be our Church of Tomorrow. Strong drinks are the most importan thing we should be concerned about because it is taking our land over today.

Wine is a mocker, strong drink is raging: and whosoever is deceived thereby is not wise Proverbs 20:1

EDUCATION REPORT

When we hear the word education, we usually think about schools, colleges and institutions, or of knowledge learned from books, teachers, and other means.

From literature received from the Southern Baptist we know there are several colleges to teach students how to preach and all they need to know about the bible. We as parents become furious about the study of the bible being taken out of the schools. I appreciate any person that is saved and called of God, that will teach the word of God to students. We look around at the world and wonder where the fear of God has gone.

The word is being preached and taught, but without effect. The world seeks nothing but the world in the church world today and then we wonder why we can't get lost people saved.

I personally don't want anyone preaching or teaching my children that hasn't been borned again.

The only education we and our men of God need is the spirit of God. If we seek knowledge, ask of God.

Did Noah, Moses, Abraham, David or Soloman have to be educated in the teachings of God. The wisest man in history is Soloman. He asked for knowledge, not wealth. He obtained wealth by his faith and obedience to God. Paul, one of the most educated men in history, counted his education as nothing compared to the spirit of God.

What we need in our world today is for men with God in their hearts and their trust in God to take over the control of our government, to seek God's face in sack cloth and ashes, to repent for the people as the kings of old, that God would have mercy on us and come to us in power and glory once again and be our Lord and God.

Education is fine in its place. Let's keep man's opinion out of our churches, our sunday schools, our Baptist Association, and most of all, our pulpits. Let God fill the position that is his and see if the peace that once filled our hearts and mind will return.

Knowledge and understanding of God's word can only be found in one way, by the power and spirit of God.

I think God for my savior and the knowledge I've received from his spirit. Please accept this report and I pray that we as an association trust in the spirit of God, and not in what man can say or tell us.

Respectfully submitted,
George Shipman

Members of our staff are anxious to have you and members of your churches visit Broyhill Home. To see, observe and to feel in person what it is like to live in a children's home is to appreciate our child care ministry. Thank you for your dependable support in numerous ways. It shall be our purpose to keep this a dynamic ministry and to meet the needs of those whom we serve.

PERIODICAL REPORT

What is perhaps the greatest challenge faced in all the history of Southern Baptists is before our people for the remaining 23 years of the 20th century. It has been called "Bold Missions Thrust," and the success of the venture is yet to be determined. There is no doubt concerning the importance or the motivation for the undertaking, but there is uncertainty as to whether the motivating message will be succeasfully communicated to some 13 million Southern Baptiats, and to our more than 34,000 churches. Without adequate communication channels, the program cannot succeed.

The heart of the program is to evangelize and congregationalize the world's population, and the thrust is confronting all human beings everywhere with the gospel, and affording them the opportunity of knowing and trusting Christ as Saviour, and then leading them to understanding of His lordship.

The program is so big, and the challenge so great, that every Baptist must be involved to make it successful. Not since Jesus presented his disciples the goal of going into all the world has such boldness been demonstrated.

The most difficult problems faced in our churchea are related to communications. When people are uninformed, poorly informed, or misinformed, they get into trouble. When they know what is taking place in their local congregation and in the denomination, interest is generated and cooperation results. Openness is therefore important, and the purpose of the BIBLICAL RECORDER is to keep Baptist church members informed concerning involvement in their denomination, and in the Christian world.

In light of developments presently underway in our denomination, it is important that every Baptist church member in N. C. receive the BIBLICAL RECORDER weekly. Already more than 1100 churches in our state are providing through their budgets for the RECORDER to go to all resident families. The Southern Baptist Convention has adopted a circulation goal of eight million for state papera by 1980. The SBC believes that every Baptist family ought to be receiving its state Baptist paper. RECORDER circulation approaches 120,000 but should be increased in the immediate future to 150,00.

If your church is not sending the RECORDER to resident families at the present time, arrangements should be made immediately to do so by incorporating it in your church budget. Costing less than galf the price of a postage stamp per issue, it is delivered by U. S. mail directly to your home address.

The RECORDER doesn't cost; it pays! Your church will be a healthier congregation if you provide the RECORDER for your resident families. It is the most widely read piece of literature received by North Carolina Baptists. No investment pays greater dividends.

Lloyd Fish

HOME, STATE AND FOREIGN MISSIONS

We, your Committee on Home, State and Foreign Missions believe: Through prayer and faith and the leadership of the Holy Spirit and operation of one another, that we will be able to carry out the command f our Lord when He said, 'Go ye therefore and teach all nations, teaching hem to observe all things whatsoever I have commanded you, and lo, I am ith you, even to the end of the world'."

So with a promise from our Lord like this, we urge one and all of the orn Again Christians to take comfort from these words of our Lord, and pr n for God, and work while we still have the opportunity.

Let us remember all missions, starting at home and going into all the orld, remembering many of us can't go ourselves, but we can have a part i ending someone that God has called into mission work.

Remember we are one body in Christ, and He is the Head of the Church. e would like to send our thanks, and deep appreciation to the many ndividuals and churches of several denominations from many states, in ddition to the 140 Baptist Churches of our state convention, and the eople who donated their time and labor to rebuild Jones Valley Church hat was lost in the flood last November.

REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATIONS
1978

Does the RECORDER pay? A few weeks ago the leading 50 churches in the
: in Cooperative Program giving were listed in the BIBLICAL RECORDER.
rone of them has a RECORDER club, many of them with the RECORDER in the
:t.

Then there was a list of the churches with the best per capita giving
ıe Cooperative Program. Again, 49 out of 50 of these churches have a good
RDER club. In fact, the 50th church had a club up until recently and you
ɔe sure the folks at the RECORDER will be working hard to see that the
ɔh has another club soon.

All of this is strong testimony as to what the RECORDER can do for a
ɔh. When people are informed, they give. When people are informed, they
ort their association and state convention work. Everyone wins when the
RDER goes into every home.

As of this date, the price of the RECORDER is remaining reasonable,
cially when compared to the cost of a daily paper. A church can still
the RECORDER into every home for only 6¢ a week. This is amazing in vie
he continued rise in the cost of postage and paper, both of which went
harply this year. If your church has plans to put the RECORDER in the
et, it should do so this year and thus save considerable money.

With the dripping wet news media in North Carolina, our Baptist people
depend on the RECORDER for information about such matters as liquor by
drink. Even though it passed the legislature back in June, local option
:tions must be held before any city or county can vote in this third
:nsion in drinking.

Woodrow W. Hill, assistant editor and field representative for the past
:n years, reached retirement age this past year but has agreed to continue
ıelp the RECORDER in associations and churches. He is loved by people all
the state and we are glad that he will continue to be identified with
RECORDER when needed for special assignments.

EDUCATION REPORT

There are three necessary, basic units in society today. Home, school, hurch are units which help hold our great nation together today. The home is the oldest unit of society. Nothing can take the place good home situation. Mothers, fathers, and children need the togethernes omforts of "home sweet home." Children receive a great part of their .tion at home.

Today, however, the "home sweet home" situations are rapidly eroding. On of every two marriages fail. Children are being reared in broken homes. :rs and fathers are finacially forced to work on a public job and leave th lren with a babysitter. More and more women are holding jobs normally hel :n. Our rapidly moving society has created a countless number of activiti :tend after work hours other than church. The family unit is scarcely :her except at bedtime.

All this change and involvement now places a larger burden on the school :he church. Society today is expecting the school and church to give lren what they are not getting at home. The important question today is; are we as a church going to do about it?

One answer the church can give is education. We must help educate our its as well as our children. Nothing can replace the home as a unit and ing can replace education and wisdom from God.

We are thankful for the educational process in our public schools, uni- ities, and Bible colleges. Education is irreplaceable in our present d. This is not to say that everyone should hold a doctor's degree. ead, a well educated person is one who manages well the circumstances one unters every day. How can we manage our daily lives without God and out wisdom given from Him? Education alone has little value. Wisdom God is what we should continually seek. Solomon said, "How much better t to get wisdom than gold! and to get understanding rather to be chosen silver!"

Let us all strive for more wisdom from God. "Study to shew thyself app- d unto God, a workman that needeth not to be ashamed, rightly dividing th of truth." II Timothy 2:15. With this wisdom we can improve our daily s, our churches, our schools, and our society in God's name.

CONSTITUTION

Whereas, the following Missionary Baptist Churches: Antioch, Ball City, Bear Creek, Caney Fork, Chestnut Grove, Cross Rock, Ebenezer, Flats of Spring Creek, French Broad, Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, New Hope, Old Bull Creek, Paynes Chapel, Pinnacle View, Price Chapel, Redmon, Union, Zion Churches of the New Found Missionary Baptist Association of North Carolina and other bodies purpose uniting by these writings for the promotion of the Redeemer's Kingdom by the maintenance of love and friendship, and mutual consultation for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1. The confederation of churches shall be known and called by the name of New Found Baptist Association.

Section 2. The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Savior, the universal spread of the Holy Bible, the word of the true God, and by other appropriate means.

Section 3. This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4. Each church shall be entitled to as many as seven representatives as delegates to the Association.

Section 5. The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk, and a Treasurer and Assistant Clerk. There shall be ex officio members to the Executive Committee.

Section 6. Baptist churches not before united in an Association or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union by a majority consent of the Messengers present: provided, they give satisfactory evidence that they are orthodox in faith and correct in practive of the Gospel from other Associations.

Section 7. This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Section 8. As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9. That a church ignoring and not abiding by the Constitution and By-Laws of the New Found Baptist Association that a church walking off and joining another association without asking for a letter if it comes back it must give sufficient apologies to the Association before being taken back.

Section 10. In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, via: The majority concurrence of the messengers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be recieved against a church unless presented from two or more churches in the Union, through their messengers.

Section 11. It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 12. The Association shall hold annual sessions to convene on Thursday evening before the third Sunday in August in each year, and not adjourn until all business shall have been regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 13. When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 14. The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by the body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeener's Kingdom on earth.

Section 15. The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years, or report sent in, shall be cause to withdraw from such church, at the discretion of the Association.

Section 16. Amendments may be made to the Constitution at any meetings of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the Minutes the preceding year.

BAPTIST HOMES FOR THE AGING

This has been a year of great signifiance and celebration in the life of our North Carolina Baptist Homes for the Aging! We would give praise and thanksgiving to God especially, and to our Baptist pastors and churches throughout North Carolina for the victories that we have experienced!

Of outstanding importance has been the completion, dedication, and occupancy of our new Western North Carolina Baptist Home, in Asheville. This lovely new Home, accommodating 50 additional residents was dedicated to the glory of God on April 29, 1979. Already, there are enough residents who have arrived, and those who have been approved for admission, to fill the Home.

The new apartment complex in Winston-Salem, accommodating 16, has been completed and all of the apartments have either been filled or assigned. With an older apartment, built in 1961, there are a total of five duplex apartments, accommodating 20 persons. With the apartment complex, the six Baptist Homes for the Aging, and the skilled nursing facility, 300 persons can be served in our Baptist Homes. Homes are located in the following places: Resthaven, The Hayes Home, Apartments, The Skilled Nursing Unit, in Winston-Salem; the Albemarle Home, in Albemarle; the Hamilton Home in Hamilton; the Yanceyville Home, in Yancevville; the Western North Carolina Baptist Home, in Asheville.

Financially, this has been a crucial year in our Baptist Homes, since we did not have our usual 3rd Sunday of February Offering, which makes up 16% of our total budget. We have had to move into our endowment funds in order to operate and to keep the ship afloat, since the usual $300,000.00 that we receive from the Special Offering was delayed until we receive the North Carolina Missions Offering in September. We are looking forward to this offering in a very special way, and it will certainly be crucial in the support of our Homes for the Aging. Let us trust that the goal of $2,000,000.00 for all of our ten Baptist Institutions, and the special causes of States Missions, will be met.

Support through the Cooperative Program for our Homes, which supplies about 8% of our total budget continues in a steady and encouraging manner. During the 28 years of the ministry of the Homes, however, the amount of 1 2/10% of the Baptist State Convention Cooperative dollar for the Homes has never been changed.

Through the love gifts of North Carolina Baptists, five out of every six people, who cannot pay the full cost of care, are supplemented. This, therefore, is a ministry of Christian love and compassion at its best in the lives of those dear older people who are in our care.

Of great joy has been the addition of two new administrative staff members - Mr. Jack Hoyle, who came in mid-January as the Director of Admissions and Social Services, and Rev. Jim Saul, as the Director of Denominational Relations and Development. Rev. Saul is filling the vacancy created by the retirement of Rev. Ralph Cannon, in March.

We shall never cease being grateful to the Lord for the significant contribution that Ralph made during his service with the Homes. The ministry of the Homes has been greatly enhanced and enriched by the coming of Jack Hoyle and Jim Saul in their respective fields of service.

Ministry to an older person is a ministry as unto Christ Himself. We trust that you will keep this vital ministry close to your heart and in your prayers, and that your gifts will enable us not only to minister to those in our care, but encourage us to expand this desperately needed ministry in our Convention.

Respectfully submitted,
Jim Saul

TEMPERANCE REPORT

Sin can be committed in so many different ways. One of the most common is through strong drink. Our young people today get started drinking through friends, neglect of parents, or through experimentation. Nevertheless, according to God's word, it's still sin. "Wine is a mocker, strong drink is raging, and whosoever is deceived thereby is not wise."

I have seen parents give children beer, wine and even whiskey that wasn't even in their teens. Our churches don't stand against strong drink anymore. Our society is based mostly around drinking. God tells us, "Woe into him that giveth his neighbor drink."

According to Webster, Temperance means moderation or self-restraint in action. How many millions of people today are affected by strong drinks? According to statistics, 308,000 are members or patients at clinics or hospitals, all because of strong drink. That figure is not including the ones that are not mental and physically affected by it. All the reports on temperance has always been concerning whisky.

The word Temper was derived in different aspects. Metal has to have certain temper in it before it can be properly used. We as Christians have failed in many ways because our faith and trust has been weakened by the things of the world. Daniel purposed in his heart not to eat or drink of the kings' table. Our attitude today is do as our friends and neighbors do. I have been in so called churches that served wine, beer and even whiskey at church socials and parties. The devil's play house is what it is and God is not in it. If the so called Christians would stop buying it, most all the liquor stores would have to close its doors.

God gave us a mind of our own. Knowledge to read and understand his Word was also given to us. He teaches us that if we be a man of appetite, that we put the knife to our own throat. Why can't we believe what God tells us and leave the world and its sin alone.

Our lives have become tempered to the ways of the world and not God's ways. We don't rebuke satan when we should. We don't want to get involved. God teaches us to stand and to trust in him. He will give us words to say and things to do to prove Him before a sinsick world.

We as an association, or as churches, can't worship in Christian love together because of our set or tempered ways. Let's forsake our ways and turn to **God**. Let's show the devil that we can start gathering back together as sister churches and start the journey back to God. Then the world can look upon us and see the love of God in our lives and not just in our conversation. Let that love change the hearts of those that have turned to the bottle. That same love can take away the desire to be in charge of everything. Let's work together for God and the world will see that we're not of them and begin to see that the church is a separated people.

Drinking can be classified as a pestilence upon the world. Until we all repent and move up to God's standards, we will never be rid of this society's ways of life. Let's join ourselves together as the New Found Baptist Association and begin to pray. Let's take God's word to heart and forget any jealousy between churches, leaders, and members. If we do this liquor and beer sales can begin to drop. The lost will begin to come into our church services and begin to be saved because God's Holy Spirit will again be with us. Please, let's humble ourselves and come back to God so that he will hear our cry, heal our land and save our lost.

Respectfully submitted,
George Shippman

EDUCATIONAL REPORT

The beginning of our religious education should begin in our homes, our churches, then our schools, and continue in our colleges. We have seven Baptist Colleges from which our North Carolina people and others can choose.

Our children should be taught at home. Good morals, dependability, respect for others, and most of all our children should be taught about God. With this type of education families would be much closer and happier. Schools would be much better. Communities would be a better place to live.

Respectfully submitted.
Rev. Bill Gillespie

BAPTIST HOSPITAL
REPORT TO THE ASSOCIATION

In response to the health care needs of people there is continuing expansion of the Baptist Hospital's services. During the past year a 38 bed rehabilitation unit was opened to offer short term services to the disabled. A new 6 bed burn unit is scheduled to open soon for immediate services of burn patients. An automatic clinic analyzer, the first of its kind in the state, has been put into operation which is of great importance in care areas such as the emergency room. Another new ministry is home visitation by doctors, nurses and ministers to families of children with cancer. In addition to ministry to patients, their families, and staff members, worship services are also held in Davis Chapel which are relayed to all patients' rooms by closed-circuit television.

Despite continuing inflation, hospital staff make every effort to keep hospital costs as low as possible. Six churches participating in the gifts from the New Found Association gave to the Baptist Hospital in this year $664.32.

In addition four Churches gave approxmately $556.00 directly to Earl McMahan and Louis Mc Mahan for the kidney transplant at the Baptist Hospital.

I have no anxious care for tomorrow
Its sunlight I never may see
So today with the plow in the furrow
In His vineyard I faithful will be.

I have no anxious care for tomorrow
The Saviour will make that His care
Should He fill it with joy or with sorrow
He will help me each burden to bear.

Other workers may gather the harvest
And reap from the field I have sown
But if faithful I'll be in the planting
I shall hear form the Master, well done.

MISSIONS REPORT

We believe in Home Mission first and Foreign Mission second. We have visited the Baptist Home in Asheville and the need of our support is great. Let us do something about this deserving need. We visited the Broyhill Home in Waynesville three times. Our hearts have been blessed over visiting these two homes. Our visits make us aware of our duty to home missions.

The most important of all is the preaching of the gospel to those who are not saved through and by the blood of Christ. As the Lord told Jonah, 3:2 "Arise go unto Nineveh, that great city and preach unto it the preaching that I bid thee. The people of Nineveh believed God." There is still a need today in other countries, states, counties, churches and associations that the will of God be not hindred, but supported by men of all nations.

Respectfully submitted,
Rev. Lawrence Lindsey & Floyd Waldroup

BAPTIST HOSPITAL
REPORT TO THE ASSOCIATION

The Baptist Hospital is constantly upgrading its staff, facilities and equipments. In recent months a carbon dioxide surgical laser has been added which is used for delicate respiratory surgeries. New ultrasound equipment used to determine location and degrees of blocked arteries is in operation. The department of dentistry is being expanded to meet increasing need for special dental services. An occupational therapist has been added to help patients recover fuctional skills lost through accidents or disease. A new instrument has been acquired for testing infants with suspected hearing loss. Construction on the Focus Building, on the site of the Old Main building which was torn down two years ago, is almost complete and will house several departments of the Medical Center in the near future. These and many other services continue to be provided and the staff and trustees make every effort to keep hospital expense as low as possible. They are grateful for the continuing financial support of the Baptist of North Carolina.

Three Churches from the New Found Association contributed $200.84 to the Baptist Hospital this year.

Respectfully submitted,
Rev. Charlie Freeman

REPORT OF THE BIBLICAL RECORDER

Faced with the same inflationary pressures that every family has these days, the Recorder has managed to get through another year without an increase in subscription rates. A church can still send the Recorder to resident families for only 7¢ a week per family, less than half the cost of a first class stamp and the best bargain in Christian literature to be found anywhere. Thus the Recorder is doing its best to hold the line by getting out a good paper at reasonable cost.

It has been another newsworthy year for Baptists and the Recorder has stayed on top of all that's happening. At the State Convention last November in Winston-Salem, a new relationship between the convention and Wake Forest University was approved. Messengers who attended were well informed and the issue was settled without serious division or controversy. This is just one illustration of how the Recorder informs North Carolina Baptists on vital matters affecting them. Nothing can take its place, certainly not the secular press which has so many denominations to cover.

Even though it was not a Baptist issue, the Recorder was able to set the record straight on an anonymous petition being circulated about a film supposedly about "the sex life of Jesus." Not only did the Recorder run news stories and editorials on this matter, it responded to numerous telephone calls. It was able to tell people the truth about something that never did take place--and the story was at least four years old anyhow.

Never has there been more misinformation circulated among our Baptist people. Those who do not receive the Recorder are easy victims for all types of misleading stories and rumors. Add to this the deliberate efforts of some groups to siphon off the loyalties and money of Baptist people and there's a strong case for sending the Recorder to every church family. See that your church makes this move in the coming year.

Bibical Recorder

BAPTIST HOME REPORT

1. Since the opening in March, 1979, we have admitted 55 residents. We now have 49 residents (a full house) and 30 employees.

2. Of the 49 residents, we have 4 men and 45 women. Our oldest resident is 96; our youngest is 65. Our average age is 80 years old.

3. This summer we have grown our own vegetables including green beans, squash, cabbage, potatoes, tomatoes, corn, okra, and turnip greens.

4. Two future projects we are looking forward to are (1) providing picnic tables for visitors to use as well as residents and (2) getting a hedge row pushed out so we can expand the vegetable garden and add fruit trees and grapevines. The cost of this excavation is $500.

PERIODICALS

There are many books and papers for us to read such as the Biblical Recorder, Charity and Children, Baptist News. There are many more, some good and some not so good. But let us not forget there are none of these as informative as the Bible. Just remember not to turn the Bible aside for none other for it is the final authority.

Rev. Charles Stockton

ASSOCIATIONAL MISSIONARY REPORT

As your associational missionary I have visited nineteen of the twenty churches of the association. I have held two revivals, seven funerals, visited hospitals, homes and made a number of long distance phone calls concerning the sick and associational work.

We had three pastor and wife suppers this year and four newsletters. These made possible by the Baptist State Convention giving New Found Association $50. each month for one year to be used for things like this.

I have driven 5,452 miles for associational work, and received $1751.31 from twelve churches of the association.

I began as pastor of Liberty Baptist Church the first Sunday in April. I have driven 2,433.5 miles concerning pastoral work at Liberty. Thank you and may God bless each one for everything done for me in the past year.

Respectfully submitted,
Rev. Bill Gillespie

For he shall give his angels charge over thee, to keep thee in all thy ways. Ps. 91. 11

IN LOVING MEMORY OF MR. H. E. PLEMMONS

1893 - 1980

On October 5, 1980 the family, church, and community lost a very dear loved one. That Sunday morning Herman Erastus Plemmons went to the place that he had always talked about.

He has still living a wife - Tinnie, four children, and seven grandchildren. He was a charter deacon and chairman deacon of Lusk Chapel Baptist Church.

No words could express the concern he always showed for his fellowman and the work he did for the church. We are grateful to have known and loved him. Until the day we see him again our memory of him will never dim because he lived life so well. The following verse is one that he used to quote in Sunday School often:

"There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus." Gal. 3. 28
